

MAINE FOREST & LOGGING MUSEUM

CHILDREN'S DAYS 2019 LIVING IN HISTORY!

LEONARD'S MILLS! LOMBARD LOGHAULER!

WAGON RIDES! FISH! FUN!

Dates: Wednesday May 22, Thursday May 23, Friday May 24

Time: 9AM to 1PM Daily, Pre-registration Required

Demonstrations and hands-on activities in a re-created logging settlement typical of 1790 make for a fun and educational field trip. Demonstrators in period clothing will be making sparks fly in the blacksmith shop, showing furs in the trapper's cabin, and weaving in the sawyer's house. Learn about fish migration as the alewives return in the spring run up Blackman Stream to Chemo Pond.

Wagon rides tour the grounds, crossing the covered bridge after passing the water-powered sawmill. The ride goes by the field where games and crafts make the day "hands-on". Bring a picnic lunch-lemonade for 25¢. The gift shop will be open with many items under \$5. Allowing time for a visit helps with museum finances!

Chaperones will be responsible for supervising students at all times regardless of age and assisting as students move from activity to activity. (Recommended: at least 1 adult per 6-8 children)
